3. All tuition records are maintained in the school office and therefore, no payments should be made to classroom staff.

5. For any extended illness, hospitalization, or other long absences, the parent/guardian should contact the Director regarding the child's reinstatement in the school.
6. At the time of registration, the parent/guardian is to set a desired entry date (July, August, or September) for the child. The school will work to accommodate the desired start date and will notify parents one month in advance of the start date. If the child does not enter the program at the established time or by September, the child is either removed from the class list and placed on the waiting list or the family will pay monthly tuition to keep the child on class roster. Parents/guardians must discuss with the Director if a new entry date is to be set.

## Regulations and Practices

1. A 10% discount on tuition is allowed for the enrollment of additional children from a nuclear family (1<sup>st</sup> child charged full rate) and members of Hope Lutheran Church.
2. Since our school's operation is based on the capacity enrollment, 30 days' written notice must be given if it becomes necessary to withdraw a child from the program. Full tuition is required up to the day of withdrawal.
3. If tuition has previously been paid beyond the 30-day withdrawal period, that portion of the tuition money will be refunded.
4. If a 30 days' notice has not been submitted prior to the withdrawal of a child, the deposit will be withheld as penalty.
5. Hope Lutheran Day School students will participate in walking field trips around our site and neighborhood. There may also be field trips on chartered buses and in automobiles. A parent's/guardian's signature on this agreement authorizes permission for the child to participate in all school functions while enrolled at Hope Lutheran Day School.
6. Hope Lutheran Preschool reserves the right to dismiss any child at any time if that child or his/her family has an adverse effect on the classroom or the facility's operation.
