Our school has been approved to be a vaccination site for children on Friday, July 8th, from 9:00 - 1:00pm. Children 6 months to 4 years old and children 5 years to 11 years old will be served; they will be given different dosages. Color Health will be the vendor to serve our school. This vaccination event is open to our current and incoming students, their siblings, our Chinese School children, and our church children. Once we receive the QR code from Color Health, you will receive it to register your child/children. We are looking for a few parents to volunteer for the event.
